Language Arts:

This week we are learning all about the letter x and our new sight word will be can. Students will also be finishing their Tale of Peter Rabbit retelling and we will begin our study of weather. Perfect timing with the crazy weather we have been having this month ☺

Math:

This week we will begin our fourth unit of study– deepening our understanding of numbers. This week we will dig deeper into the numbers 11–19. Students will practice counting objects, practice writing these numbers, and learn that these numbers are composed of one ten and some ones.
