## Language Arts:

This week we are learning all about the letter n (as in nut and nap). We will also be learning the word look. We wrapped up our study of “The Gruffalo” last week by watching the movie and then comparing/contrasting it to the book.

## Math:

In math we will continue to work on addition. We are working on our fluency when it comes to addition problems. The goal is for students to have all of their addition facts to 5 memorized by the end of the year. We will also be working on word problems that have a missing addend ( $2 + \underline{\quad} = 5$ ). For example, I bought 5 flowers at the store. 2 of them were roses and the rest were daisies. How many daisies did I buy?

## Valentine’s Day:

We will be celebrating Valentine’s Day on Friday. Please remember to send in a decorated Valentine box by Friday. This box should have your student’s name clearly written on it. Also, any cards that your student will be giving to friends should be sent in by Friday.

## 100<sup>th</sup> Day of School

It’s hard to believe, but the Monday after break (Feb. 22) is our 100<sup>th</sup> Day of School!! However, we will be celebrating on Tuesday, February 23 due to kindergarten hearing screenings taking place on Monday. Look for a note coming home with week about the 100<sup>th</sup> Day!
