## Language Arts:

This week we are learning all about the letter y (as in yes). There will be NO SHOW AND TELL. As we get to the end of the alphabet it becomes harder to find objects to bring. Look for a not coming home in April about upcoming show and tell. We will also be learning the word would this week. Students will complete their landform flipbook all about forests, plains, mountains and oceans.

St. Patrick's Day is on Thursday. We will do many literacy activities towards the end of the week to celebrate.

## Math:

In math we will finish up our addition and subtraction units. This week, we will continue to work on subtracting from 10, as well as telling stories about subtraction sentences. Although we are moving onto our next unit, Deepening and Extending Numbers, we will continue to practice addition and subtraction daily.

## March is Reading Month:

We are halfway through March is Reading Month! Reading logs are due every Monday and look for a new one coming home. Your goal is to read 20 minutes per day— remember that's your reading to your student AND your student reading to you.

## Field Trip:

On Monday, March 21<sup>st</sup>, we will be heading to the Warren Consolidated Performing Arts Center to watch the high schoolers perform "School House Rocks". Please return your permission slips to school as soon as possible.

\*\*\*Because we will be leaving school at 11:30, students will be eating lunch at 11:00 instead of our normal 12:00. You may want to pack a more substantial snack for the afternoon since kids will most likely be hungry!
