Language Arts:

This week we are learning all about the letter v (as in van). There will be NO SHOW AND TELL. As we get to the end of the alphabet it becomes harder to find objects to bring. Look for a not coming home in April about upcoming show and tell. We will also be learning the word “with” this week. Students will work on a retelling of “There Was an Old Lady Who Swallowed a Chick” this week along with many Easter literacy activities.

Math:

This week we will begin our new math unit, Deepening and Extending Numbers. In this unit we will practice counting to 100 and writing numbers to 20. We will also begin to explore base ten (that in the number 15 the 1 is one ten and the 5 is five ones). Students still need continued practice with addition and subtraction. We will continue to play addition/subtraction games as well as practice our facts.

Easter Activities:

On Thursday we will have an egg hunt at school. Don't forget . . . please send in a empty, clean milk jug along with 12 plastic eggs filled with a treat by Wednesday. We will be making a basket out of the milk jug to collect eggs on Thursday.

Also, student council will be having an egg sale at lunch on Wednesday. Each egg costs \$1 and will be filled with a treat. Some eggs contain larger prizes such as gift cards, outdoor toys, or prize baskets.
